

"Everything is energy and that's all there is to it. Match the frequency of the reality you want and you cannot help but get that reality. It can be no other way. This is philosophy. This is Physics."

-Albert Einstein

deep eddy lemon, fresh blueberries, sugar rim

"If others often plague thee
And do or say evil of thee,
Think also they came here
Without having asked for it.
Think, though you may not like it,
You, too, plagued others often.
As this cannot be altered,
Think gently of everyone."

-Albert Einstein
